Note any box time carrying over from first period onto the P.2 sheet before turning in P.1 sheet. Jam number starts from 1 for each period.

Circle opposing jammer's current pass. When a star pass occurs, enter SP below current jam number, with jammer and pivot reversed, same blockers, maintain current pass count. For skaters entering the penalty box, include opposing jammer's current pass in which they were sent off the track in the left box. For skaters reentering the pack from the box, include the current pass where they returned in the right box. Use zero on left to denote a skater starting the jam in box. If jam is called for injury, indicate it with a INJ in the BOX column of the injured skater.
